Sub: Clarification Letter regarding details of principal business activity mentioned in the e-form MGT-7

Respected Sir,

This is in reference to Point II of Form MGT-7 pertaining to "Principal Business Activities of the Company" being filed for the financial year 2020-21. We would like to submit that during the year under review, unfortunately, due to lockdown and restrictions on public gatherings imposed by the Government, the company earned revenue from its principal business activity i.e., "Exhibition and Conventions" of about 38.96% and 61.04% from support services to the organization. Consequently, while filing the point II, the error was reflected in the form for revenue from the "exhibition and convention center" being less than 50% during the year. Since the revenue from Maintenance of mart for the given financial year 2020-21 was aggregating to 61.04% out of the total revenue from operations of the company, therefore, the solely for the purpose of the aforesaid form, percentage of revenue earned from Maintenance of mart is quoted as "*% of turnover of the company*" in place of the percentage of the revenue earned from Fairs, Exhibitions and Conferences to rule out the technical issue.

However, since the principal business activity remains generating revenue from Exhibition and Conventions, the Main activity group code and Business activity group code have not been changed and kept as applicable on the principal business of the company i.e. "*Exhibition, fairs and Conferences*".

It is being further submitted that apart from the requirement of the form, for all other purposes the principal business of the company shall continue to be treated as organizing "Exhibition, fairs and Conferences".

You are kindly requested to consider the same please.

Thanking You,

For India Exposition Mart Ltd.
